

PRODUCT SPECIFICATION
G-10FLEX Nitrile Glove

GRIP 

FLEX 

OIL 

DESCRIPTION

Palm coated black nitrile micro foam glove with knitted reinforcement. 13 gauge polyester shell.

RECOMMENDATION

It is the ideal safety glove for general maintenance and handling. The tight knit gives the glove perfect support, limits the penetration of dirt and offers better dexterity and optimum handling. Excellent grip with rough sandy nitrile texture

SUITABLE FOR USE IN

Oil & Gas industry, fuelling operations and glass handling, Utility industry, equipment maintenance, transportation, Mining, ironwork, construction, metal stamping and assembly Automotive
